

# 厦门金鹭特种合金有限公司

Xiamen Golden Egret Special Alloy Co., Ltd.

## Description of Ultrasonic nondestructive test

**Dear Herramientas lorenzo Salvador España,s.l**

Please check our attached NDT report for the first batch of 100 units.

We screenshot the non-destructive test data of these 100 units from the system to prove that we were testing them one by one and have passed the test before proceeding to the next process.

Thank you!
